1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer and Dominion provides gas to my home.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

I am protesting Dominion's request to raise rates. The rate is too high already. They should stop paying their executives such high salaries and bonuses and then average people, especially those living on a fixed income like me, could afford to live without worrying about excessively high bills for utilities. They have had rate increases already.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

No.
